2. Mission and areas of activity

The Foundation's mission is to develop an open society in which citizens know and defend their rights, and government bodies operate transparently and accountably. The Foundation's motto: "An open society begins with each of us."

The Foundation's priorities:

- an active civil society in which people know and defend their rights;
- accessible services and expert consultations for all groups of citizens, including socially vulnerable people;
- respect for the rule of law and human rights in citizens' interactions with government bodies.

Areas of activity:

1. Public control under the Law of the Republic of Kazakhstan "On Public Control".
2. The eKenes.kz online consultation platform.
3. Election observation.
4. Public expert review of regulatory legal acts.

3. 2025 in review

2025 was a year of organizational and institutional development for the Foundation. From its state registration on 4 July 2025, the Foundation established its governing bodies and internal processes, and carried out preparatory work on designing the IT infrastructure of the eKenes.kz platform.

- No grant-funded or sponsored projects were implemented in 2025.
- The Foundation received no state social contracts, grants or awards.
- No donations or other receipts were received from individuals or legal entities, including from foreign sources.
- Public control activities were carried out by the Foundation and its participants on a voluntary, unpaid basis, at no monetary cost.

Despite having no funding, the Foundation carried out two public monitoring activities (Section 4). According to open sources, the monitoring of tax authorities was the first practical application of the Law "On Public Control" in West Kazakhstan Region.

4. Activities implemented in 2025

In 2025 the Foundation implemented 2 public control activities using its own resources, without grant or sponsorship funding.

№	Social project (brief description)	Implementation period	Results
1	**Public monitoring of tax authorities in Uralsk, West Kazakhstan Region.** On-site monitoring of the Republican State Institution "Department of State Revenue for West Kazakhstan Region" under the Law of the Republic of Kazakhstan "On Public Control". The quality of service to citizens, the availability of consultations and the conditions for receiving taxpayers were assessed. Participants: 3 members of the Public Council of West Kazakhstan Region, Foundation representatives, media and bloggers.	23 October 2025	Recommendations on remedying the identified shortcomings in taxpayer service were sent to the Department. The activity was covered by Akzhaiyk TV and ZKO.KZ bloggers. Press release with photos and videos
2	**Remote public monitoring of the State Institution "Department of Digital Technologies of West Kazakhstan Region"** (without visiting the site) under Article 9 of the Law of the Republic of Kazakhstan "On Public Control", based on information on the Department's official website. It found no information about a consultative and advisory body — a public IT council under the akim (governor) of the region or of the city of Uralsk.	October 2025; the final document with recommendations was sent on 17 October 2025	The Foundation recommended establishing a public IT council, approving its regulations and work plan, and publishing information about it on the Department's website. Following the dialogue, on 14 January 2026 the akim of West Kazakhstan Region issued an order establishing a working group on "smart city" development (9 members, including the Foundation's Executive Director). Press release

The result of activity No. 2 was achieved after the end of the reporting period (January 2026) and is presented as a subsequent event.

5. Use of property and financial indicators
